Approved by:

Research Advisor ___________________________ Date: ___________________________

Research Co-Advisor (if applicable) ___________________________ Date: ___________________________

Information about your Research Project:
(You should be prepared to give a 15-20 minute presentation of your research to the examiner, excluding Q&A, provide explanation and answer questions)

Who is/was your faculty advisor for the project: _____________________________________________

In which term(s) did you conduct the research: _____________________________________________

Research Project Title: _____________________________________________

Research Project Abstract and Project Report:
Please attach a 1-page written abstract of your research project to this application. A project report is due ahead of your oral exam; it should be equivalent in content and quality to at least a four-page conference publication plus sufficient background material to convey the big picture to an examiner outside your immediate area.

You must submit your Project Report to the ECE Graduate Coordinator at least 2 weeks prior to the start of the Qualifying Examination Period.
